Beverage Options

Non-Alcoholic Drinks

Groups are encouraged to bring in any non-alcoholic drinks. We recommend that you pick up water, Gatorade and soft drinks and bring them to the course the night before your event so that they are chilled and ready to be placed on the beverage cart.

If your group wished to purchase non-alcoholic beverages through the course we can provide water, Pepsi products, breakfast juices and Gatorade.

Alcoholic Drinks

Groups have three options regarding any alcohol that will be distributed to golfers on the course. We can either do case pricing, drink tickets or you can purchase a one-day Banquet ABC License which would override Hunting Hawk's license but that would require the exclusive purchase of the course for the day.

We have domestic, premium, import and craft beer options that can be used for your event. Case pricing is a flat price for the case of beer you purchase. Once you open a case, the case is yours to keep. Drink tickets are the other option which can be distributed to the group which would place a limit on how many drinks are consumed.

Beverage Carts

Groups under 100 players will receive one beverage cart at no charge, an additional beverage cart can be purchased for a \$125 fee. If your group reaches 100 players or more, you will receive two beverage carts.

Golf carts can be used as extra beverage carts if you wish to avoid the extra fee. We do require that groups bring small 3x2 cooler if you wish to use golf carts.

Events do have the option to drive their own beverage carts or they can choose to have Hunting Hawk staff drive the beverage carts, up to two drivers.

Merchandise Incentive Program

Our Merchandise Incentive Program will help save you time and money when it comes to buying your prizes and goodie bag items. You now have the opportunity to purchase your merchandise at our fully stocked golf shop and save money on the greens fee of each player in your event. Please see below about how the program works:

If your tournament has 40 to 72 players, you will be responsible for paying the regular golf fees.
Tournaments with 73 to 108 players, will have \$3 of their fee per player add to a prize fund.
Tournaments with 109 to 144 players, will have \$5 of their fee per player add to a prize fund.

The prize fund will be an amount of money that the group can use towards gift certificates as prizes for their players to use in the Pro Shop. Tournament Directors can also use that prize fund money to purchase their merchandise for giveaways or prizes at a 10% discount in the shop.

Your group will receive \$.50 off per player for every \$100 spent in the Pro Shop on merchandise. This allows you to purchase from our Pro Shop at the 10% discount and save you even more money on your players golf fees.
